Foreword

HIS year I am very happy to send the 1955 edition of our Gladiolus Catalog to our many friends and customers. As I compiled this edition I could not help but marvel at the memories of the gorgeous blooms from the varieties that are listed as they grew for us this past season. The newer glads with beautiful ruffling and fine clear colors are certainly the world's most beautiful flowers.

I have a large crop of clean bulbs awaiting your orders and know that they will perform to perfection for you. If you have not as yet purchased bulbs from us, I am sure you will be more than pleased with our fine varieties and bulbs and we will do our utmost to please you.

To our many customers I hope you have had a wonderful season and I wish to thank you for your orders and confidence placed in us year after year, which makes us strive to grow and list only the "Finest bulbs of the Finest Varieties."

REMEMBER —

We have the latest instructions for growing glads and for those of you that do not have a copy please ask for one with your order. We will attempt to follow your wishes as far as stocks are available.
